SELECTMEN'S REPORT

To the citizens and Taxpayers of Effingham—

We are glad to report that again this year town business was carried on without having to borrow money in anticipation of taxes.

Due to shortage of manpower some projects have been curtailed and therefore some inconvenience has been caused, however we believe that Effingham has suffered in this way as little as have the surrounding towns.

Town Road Aid has been cut 50% by act of legislature.

War bonds have been purchased (Face value \$2025.00) as authorized by March Meeting of 1943.

Effingham again elects a representative to the General Court this year.

We thank all other Town Officers for their help and cooperation during this past year.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Effingham:

This report is submitted to you after only two weeks in your Union. I am particularly pleased to begin work here as it brings me back to a part of New Hampshire with which I am somewhat familiar. I anticipate a great deal of pleasure from being your Superintendent of Schools.

School supervision in Union 36 has been upset the last few months because of the changes in superintendents. Much of the responsibility which is normally the administrator's has had to be assumed by school board members. They and the teachers are to be commended for the fine conditions that have been maintained in the schools.

Effingham has been fortunate in having Mrs. Gladys Leavitt as teacher at Center Effingham and Mrs. Bertha Moody at Effingham Falls. Extreme scarcity of teachers makes us wonder how all positions will be filled for the school year 1944-1945. This year former teachers felt a sense of patriotic duty to return to the profession when local conditions became critical. I assume that it will be from this group that many districts will find faithful teachers.

Citizens of Effingham undoubtedly recognize the fact that the costs of maintaining schools are rising along with the increased costs of everything else. Taxes, living conditions, and the great scarcity of teachers have necessitated increased salaries; the cost of materials and labor makes all kinds of repairs higher, and other expenses have risen proportionally.

It seems extremely important during these times of unsettled conditions that the best education possible in reading, writing, arithmetic and citizenship be maintained. This necessitates an unusual amount of effort, thought and patience on the part of citizens,

teachers and pupils. It is only through the cooperation of all concerned that the generation now growing up can be given an adequate education.

Respectfully submitted,

HAMMOND A. YOUNG

EFFINGHAM NURSE'S REPORT

This is a report of the work done by the school nurse in the Effingham schools the past year.

Pupils inspected 51

School visits 31

All of the pupils have had their examinations, including height, weight and vision tests.

Result of examinations:

Defective Teeth 41

Defective Vision (2 have glasses) 2

Diseased Tonsils 5

Nervous Condition 2

Underweight, ten per cent 5

A Dental Clinic was held on Dec. 10th in the Grange Hall with Dr. Deneault of Meredith in attendance. A summary of the Clinic shows that 16 pupils were treated with a total of 52 operations. The second day of the Clinic had to be postponed, but we expect to have it in the early spring.

The cooperation of the Superintendent, Members of the School Board, Teachers and Parents has been very much appreciated.

Respectfully submitted,

EVA A. HENEY, R. N.
